OEKO-TEX STANDARD 100
This certificate guarantees that all environmental requirements have been taken into account during the manufacturing process and that the fabrics, their dyes and any integral element of the garment do not contain harmful or dangerous substances.

SMETA 4 PILLARS
We have successfully passed the Smeta 4 Pillars ethical audit which ensures the company's good practices in the areas of occupational health and safety, regulatory requirements, environmental safety, corporate social responsibility and business ethics.

ISO 45001: 2018
The company complies with this standard which sets out the minimum requirements for best practice in occupational health and safety management.

ISO 9001: 2015
The company complies with the management and quality assurance requirements certified by this international standard.

ISO 14001: 2015
Compliance with this standard ensures that the company respects the environment, as it helps to identify, prioritise and manage environmental risks.

PEFC
A programme that promotes sustainable forest management to achieve their social, economic and environmental balance, so the paper in this catalogue, and most of the material printed by the company, is obtained from sustainable forests.

OSC 100
(Organic Content Standard). We have a range of products whose fabric is 100% certified organic cotton. And which are certified by Ecocert Greenlife according to the standard available at www.ecocert.com under licence number 198360.

ILO
(International Labour Organisation). All factories that manufacture our products comply with the Genoa Convention No. 138, which regulates the minimum age for the employment of minors.

AEO
As an "Authorized Economic Operator", Gorfactory is certified as a trusted importer and exporter by customs authorities worldwide, which facilitates the transit of the goods we trade.

As a member of Sedex®, Gorfactory adheres to the Sedex® code of ethics and meets all audited requirements under this international social standard and is part of a global organisation that promotes corporate responsibility to society across the full spectrum of its activities. Sedex® helps Gorfactory to manage its activities in the areas of labour rights, health and safety, environment, business and commercial ethics.
